“ My deepest condolences to Michael’s family. I am truly saddened by the loss of my friend. I met Michael in 2013 working at Pearson. As our paths continued to cross, a true friendship was created. Michael shared with me his love of his family, his dogs and of course, sports. Years ago while in Albany, Michael and a few of us gathered after work for a quick tour of Vermont. We shared the most laughs and had the most fun. Last year, we traveled to Nashville, TN for one week - and every night, Michael was my dinner date! I am so grateful to have known Michael. He was always a gentleman, always kind, and always grateful. I will miss my friend.

“ I was so saddened to hear of Michael's passing! We had the great fortune to both be Scoring Directors for NCS Pearson on the NY State Assessment in 2014, among many others. During a trip to Albany NY to work details of the project, Michael and I were fortunate enough to visit the MLB Hall of Fame in Cooperstown NY, and the National Basketball Association Hall of Fame in Springfield, Mass... two stops on both of our bucket lists. We also managed to fit in a stop in Bennington, Vermont which was my hometown as a teenager. Michael fell in love with the Green Mountains, covered bridges, and picture post-card small NE town. Over the years at Pearson, Michael was a true gentleman, consummate professional, and will be greatly missed by the many who knew and worked with him! We pray he is finally at peace meeting all of his favorite sports personalities from past years!
