“ I am so blessed to have had Michael be my son's best friend. He treasured every moment they had together, from playing basketball, to sleepovers, getting haircuts, playing video games till early in the morning, hospital visits, J.Cole concert, and so much more, it was an honor to have him in our lives. Thank you Michael for such a wonderful and genuine friendship and for being so good to Brandon.

“ Jessica and Eddie,
Precious Michael has joined the ranks of angels!
Knowing him from early childhood, we were privileged to see his
sweet and very special personality, that beautiful face and smile,
and a lovely spirit. He carried these to all that he touched in such a
personal and wonderful way.
I know that Michael will watch over you and care for you now as you
so lovingly did for him.
Blessings and love to you and all of your family.
