

Michael William Hogan

November 10, 1952 - April 9, 2026

Michael William Hogan, lovingly known as “Michael Bill,” passed away peacefully on April 9, 2026, in San Antonio, Texas, after a courageous battle with lung cancer. He was 73 years old. Born on November 10, 1952, in Sacramento, California, Michael Bill approached life with humor, grace, and an ever-present guitar. He graduated from Sam Houston State University with a B.S in Environmental Science and went on to become a Certified Safety Consultant, dedicating his career to helping others stay safe. His work took him across the country- he traveled to or through every state except Alaska and the Dakotas, leaving friends and fond memories wherever he went.

Music played a central role in Michael Bill’s life. From his high school days to his final years performing with Mark’s Brothers- a band that toured Honky Tonks, dude ranches, conventions, and places too weird to mention- he shared his talent and passion with both family and friends. He was the heartbeat of every gathering, a welcome addition to every song circle, quick with a joke or story, and always eager to make others laugh.

Above all, Michael Bill was a family man. He took immense pride in his son, Luke Hogan, and daughter, Julia Hogan Greenblum. He deeply cherished his son-in-law Garrett, and his daughter-in-law Jamie, and found his greatest joy in his granddaughters Summer Rose and Lila Sky. He is also survived by his loving sisters, Pamela Hendricks, Dena Sutton, and Darci Molinar, and his

many nieces, nephews, and cousins. He was preceded in death by his younger brother of 18 months, Patrick.

A memorial service will be held to celebrate Michael Bill's life on May 2nd at 2pm, at Mission Park Cherry Ridge. Peace and love to all who knew him.
