

Michael Wayne Krenek

February 13, 1961 - June 29, 2023

Michael Wayne Krenek, 62, went to be with the Lord on June 29, 2023. A beloved husband, father, grandfather, and friend, he will be missed deeply by those who knew him.

Michael was born February 13, 1961, in Corpus Christi, Texas to his parents Herbert Jackson and Patsy Ann Krenek. He made his home in Floresville, Texas where he and his wife Sandra created their family and raised their children. He is survived by Sandra Krenek, his beloved wife of 41 years, their children; Christopher Michael Krenek and his wife Carly Renee Krenek, Stephanie Michelle Traeger and husband Christopher Ryan Traeger, his grandchildren; Liam Michael Traeger and Emily Michelle Traeger, his brother Herbert James Krenek (Yvonne), his sister Angela Marie Poynter (Tim), his nephew Grant Poynter and his nieces Grace Poynter and Claire Trammel, as well as numerous extended family members and long time friends. Michael is reunited in Heaven with his parents, Herbert and Patsy Krenek.

Michael worked at Mrs. Baird's Bakery as a Maintenance Mechanic for 15 years, until he retired. He was the go-to guy in the family for anything that was broken. Always willing to help anyone who needed it. He was an avid DIY-er and could best be described as Mr. Fix-It. In his downtime he enjoyed watching sports, and he loved rooting for the Cowboys and Spurs. Michael always put family first and was a strong, supportive husband, father, and

grandfather. His family meant more to him than anything else in the world, something he proudly and often mentioned. He spent his last years basking in the joys of having his children and grandchildren around him.

The family of Michael want to thank all the wonderful nurses and staff on the Oncology floor, SICU, and the Gentiva Hospice at the Methodist Metropolitan Hospital who made Michael's stay as comfortable as possible by their compassionate care for him and for our entire family.

“ *I worked along side Mike for over 10 years at Dock McCall Armature Works fresh out of high school where we both learned to repair electric motors under the leadership of Charles and Arlon Mueller. It was a great joy to be around Mike. He was always pleasant, funny and great at repairing anything. I will always remember helping Mike install central air conditioning in his and Sandra's first home, because I got electrocuted in the process, Haha. I will truly miss you my friend.*
