

Michael Moreida

August 9, 2016 - April 28, 2024

Michael “Mikey” Evan Moreida was born to Jessica Garcia-Moreida and Andrew Moreida in San Antonio, Texas, Children’s Methodist Hospital on August 9, 2016. He went to join the Lord at Children’s Methodist Hospital on April 23, 2024. He is preceded in passing by both grandmothers, Esther Moreida and Oralia Garcia Muniz, as well as his grandpa, Richard Muniz. Mikey is survived by his parents, his grandfather George “Papo” Moreida, his brothers, Luke Edward Moreida and Giovannie Andrew Moreida, his sisters, Isabella Moreida and Dakota Adamez, as well as several aunts, uncles, and cousins.

Mikey was a lively kid that loved to dance, sing, and play video games- specifically Fortnite in his free time. He loved listening to music by DJ Marshmallow, Travis Scott, and XXXTentacion. He had an interest in the outdoors that included wanting to go fishing and visit the coast to get some time at the sea. He had a love for being in nature. His favorite animal was cats; he would constantly mention how much he wanted one. Michael was too young to hold a job, but he was still considered the “professional taste tester”. You could often find him joining his mom in the kitchen trying to help. Mikey and Papo often visited Costco where they spent their time strolling through the aisles to find samples for the professional taste tester as they grocery shopped.

He was a professional at everything he did though, from taste testing to

cracking jokes. Mikey was a very funny kid that could get everyone laughing from the strangers at Costco to his closest friends. He was genuine with a big heart too pure for this world. He truly was a one-of-a-kind person; someone so unique and irreplaceable that God knew he needed this Angel home. He brought so much joy to this world in the short time he was here and made an impact on so many people; Michael will be dearly missed.

“ I don't even know where to start, me and you had this special bond since the day you were born!! I always said we were very much alike, and even til the days before your passing, you proved me so. I will never forget our conversations about God, and how your face lit up talking to me about him!! You were never meant to stick around in this cruel world!! Your heart was one of the purest I have ever known!! Just how you were the light of your mama's life, you were my joy!! Even when I thought I didn't have anything to be happy for, you made me laugh, and feel loved. We had the same blood running through our veins, genuine and kind! Tia will always love and miss "the baby".. You were the definition of happy, humor, heart and humble!! Love you always.. may you rest in peace!!

Andy, Jessica and Papo, please accept our most sincere condolences for your loss of "Micky". Even though he was with us for a very short time, he sure did leave a very special, kind and innocent love to all that met and knew Michael. He will surely be missed his parents, brother, Papo, his Grandfather, and by all of us that loved him. My biggest happiness is that he is in God's hands along with Esther, my Sister and his Grand mother, who loved him dearly with all her heart as well as with his mother's parents and other relatives. Love your great Uncle Armando and Irene Ruiz
