“ *Mikey was a real friend to me and I didn't hear of his passing in time to pay my respect to him. He was always kind to me. I used to go to his apartment and just hang out and enjoy doing nothing. He was very negligent and quick witted. Thank u, Mikey for always making time for me. I will miss u, my friend*

*Mikey i had spoken to you. I literally live right across the street from you and Matthew and I hadn't spoken to you so I decided to walk across the street to go see if I can find your apartment because I noticed your phone was off and then I decided to look up your name and cannot believe you passed away I'm not sure the circumstances but Mikey may God be with you in heaven with your mother and your father and your brother in Jesus Christ's name I pray amen*

“ Mike invited me out dancing we got all dressed up and we were both very excited getting out witch Mike rarely did . He couldn't wait 2 good friends having some fun  
Well he fixed us some drinks in a tall big gulp. Anyone who knew Mike they know he loved a good glass of Whiskey  
So here we go into his car beautiful white classy expensive car  
So Mike is carrying the drinks I'm trying my hardest not to get wrinkled  
We start to leave and he says watch this you'll like it  
Mike being Matcho the lady's man that he is  
Pulls the sun roof open and here go those drinks down all over us  
We turned and looked at each other couldn't stop laughing we walked back inside and called it a night  
I love you My Friend Im gonna miss you so very much
