“ *I am so blessed to have worked and befriended Mike. He was truly a blessing in my life. Mike forever I will cherish all those times that you, Manny, CJ, and I went to lunch together. The times that we all shared together is priceless. No matter the circumstances, you were always so calm and collective. Even when you were to the end of your journey in life you were so calm. You touched so many lives with your kindness. Rest in peace Amigo. Till we meet again. My condolences to your family during these difficult times.*
