“ Michael and I would also talk about god and how awesome it must be to enter. His kingdom where there nothing to worry about. And have eternal life. He always was willing to be there to support his family and friends. We talked about being there for each other. Hes heart was bigger than life and a smile. That everyone would remember.It was a pleasure to have him my life. You will be remembered for memories. That were able to endure. Gone but not forgotten my friend until we meet again. Be my gaurdian angel from heaven. My deepest condolences to the reyes family. Love u all.
