“ Well.. where do i begin !
My father in law was a kind loving man, never saw the bad in anyone... especially me, when i was down and thinking i wasnt good enough... he always told me, "mija ur a good woman not just to my son but to these grandkids of mine" ive known this man 8 wonderful years and he never i mean never turned his back on me or my kids.. he showed me what and how to love, always told me that family never gave up.!

I still rememeber sitting outside talking with my father in law and watching the kids play outside, no matter how tired he was he always and i do mean always made sure the kids player outside for at least an hr or so lol

Until u teach me how to fly pops we will meet again, i will always love and cherish the moments we had together !

“ I've known Mike 31 years. He's always been the same loving, kind, caring, big hearted and friendly man since day one. When my husband and I first started out he took us under his wing and taught us how to fly on our own. Always encouraging us and giving us advise. I don't think I ever thanked him for that. But I will forever be thankful for him. He was one of a kind and he will forever be missed in our family.

“ My hearts is saddened by the loss of Mike, he was a lot of things to a lot of people; friend, brother, father, husband, grandfather, son and neighbor, but I know we are like brother to each other. He will be missed and remember all the days of my life. Love You All, Rick Cantu and Family.
You and your family are in our prayers.
