

Michael Schmitz

August 17, 1952 - March 31, 2025

Arlyn “Michael” Schmitz, of San Antonio, TX, was welcomed peacefully into the arms of our Lord and Savior on March 31, 2025 at the age of 72 while at home with his loving and devoted wife, June Ann, by his side.

Family left to mourn Michael’s passing and celebrate his life are June Ann, his wife of 36 years, siblings Marilyn (Gordy) Krueger of Fond du Lac, WI, Sharon (John) Birkhauser of Lake Forest, IL, Sandy (Gerry) Scudella of Fond du Lac, WI, sister-in-law, Mary Ann Schmitz of St. Augustine, FL, as well as many nieces, nephews, great nieces and nephews, and many dear friends and family members across the country. Michael is preceded in his early death by his parents, Adrian and Viola, and brothers, Ronald and Adrian, Jr.

A special thanks to next-door neighbors and close friends, John and Kate Aranda, for their endless support and help.

In 2016 Michael retired from Valero Energy Corporation after a long career in the oil industry. Michael’s professionalism and ethical values served him well in many areas of his life. His respect for people and God’s creations shined through his generosity of his analytical acknowledge and advice, his hospitable nature, his impeccably landscaped yards and the care he took of the many gifts God provided - especially his vehicles! Michael’s easy-going, gentle spirit will be dearly missed.

Michael enjoyed nothing more than a competitive card game of Pass and Cover, watching his sports teams—the Wisconsin Badgers (football and basketball), the Green Bay Packers and the St. Louis Cardinals. Some of Michael's favorite past times were going with June Ann to the movies, walking their very much-loved pups: Oliver, Chloe, Trevor, Levi and Socks, dining out, hiking, traveling and visiting with friends and family.

“ Michael and I worked together from 2003 to 2006, when June and Mike were living in Connecticut. During that time, we quickly became friends. Mike was a man with a heart that was as big as it gets—always there to help others, to listen, to offer support when you needed it most. The warmth of his friendship and the kindness Mike showed will stay with me forever. May he rest in peace.

“ Mike hired me to join his team in 1989 and from that day forward I was blessed to have him as a leader, supervisor, mentor and friend with his smart steady handed leadership that taught me so much...some of the best days and memories of my life and career. I cherish the memories of the work we did, the laughs we had and the road trips we took together. My condolences. Ken Ruona

“ June, Thank you for this lovely tribute to Michael. John and I have been honored to know him for years. We loved talking about Wisconsin and Packers football with him, and he impressed us by being up to date on our University of Georgia Bulldogs. Michael was always a sharp dresser, and he always had a smile and such a kind disposition. You two were a wonderful team, and I loved how he always called you June Ann! You took exquisite care of him. He will be missed by many of us. So glad to have such wonderful memories of Michael.
