“ I sometimes still pull out my phone and dial 210-219-6728, and have to stop myself. Iron Mike was a great man that was like a father to me. He finally started to show he liked me after 2 of the 4 years I spent dating his oldest daughter, Jessie. I was so blessed to know you, Mike. It's getting close to ten years now since you've been gone, but you're not forgotten. Thanks for everything you've done for my life. Until we meet again.
