

Michael Ray Tobias

November 5, 1978 - March 1, 2021

It is with great sadness and a heavy heart that our beloved son, Michael Ray Tobias entered eternal rest on March 1, 2021 at the age of 42. Michael was born on November 5, 1978 in San Antonio, Texas to Alfredo R. and Magdalena (Margie) O. Tobias.

Michael is preceded in death by his grandparents, Oscar, Sr. and Carmen Ordaz and Ildefonso and Victoria Tobias. He is survived by his parents; godparents, Jose and Alejandrina Tobias; uncles, aunts, cousins, and friends. Michael graduated from Harlandale High School in 1997 and continued on to receive his Associates Degree in 2013 from Kaplan College with a concentration in Health Information Technology. Michael started working in the medical field and truly enjoyed his job, co-workers and industry friends. Those who knew Michael, even just a little, say they lost a shining light in their lives. He was a caring and loyal individual and was always there to lend a helping hand. Michael was also a huge sports fan (Spurs, Cowboys, and Yankees) and always enjoyed the pleasures of a making a good BBQ event for his family. Michael will be missed.

“ I can't wrap my head around this my heart is so broken, let me began our story when we first met I was 17years-old you took one look at me an said "dam your pretty". I laughed at you an said "WHAT YOUR CRAZY, AN YOU DON'T EVEN KNOW ME," an I laughed with a big smile on my face an I was blushing so bad you had your big cheesy smile an I told you look "at that big cheesy smile" you were blushing as well. An you asked to see me again an we exchanged numbers an you told me that I will be your forever girl an I believe you I believed be always had each others heart we were always in love with each but we were so crazy for each other that I told you to wait until the time is right for us to be with each other, as the years went on you were always there for me you always went looking for me out of the blue an we reconnected so many times you were so crazy when you went to find me that is something that I will never forget how you were when you found me how you would scream from the top of your lungs an tell me how you felt, an I fell in love with you all over again an again. This time I went looking for you an I had to found out it was to late you didn't tell me you were so sick you didn't tell me goodbye an now my heart is so broken so hurt my heart is hurt an my mind going crazy. All I want to know is WHY you left without telling me. As I sit here trying to put all this down I can't control myself from crying so hard. My heart will never be the same an our memories had stop, an now my deepest condolences goes out to your parents. An I will always cherish what we had an I will always miss you. An I will always be your "FOREVER GIRL". I miss you, you are now a angel an fly high MY LOVE.

“ You will always be in my heart, it's so difficult when you realize the best thing was always in front of you all this time and had little time to share it. We had 10 years of friendship that I'll cherish and 2 mons of "us" that no one can ever take away. Good Night M.T Love, Jessica K.

“ Our first date, you told me it was the "happiest night of your life!" I'm so sorry we will never get to have the second happiness night of your life come true... seeing me walk down the aisle as your parents watched. You will be missed we made so many promises on that cross you wore. Forgive me. You're in God's hand now and you were loved. Jessica Karwash.

“ Michael, your Work Family @ WellMed Medical Management misses you tremendously. Your smile that we could hear in your voice and sarcastic personality is truly missed, especially during our Meetings and Trainings. You were taken away from us way too soon, but we know you are watching down over us, probably laughing at us during our meetings... Anyway, fly high sweet friend and continue to watch over all of us. We miss you so much Mikey... until we meet again... We Love You...
