

Michael B. White

April 8, 1950 - July 31, 2025

Mike White was born on April 8, 1950 to Melvin White and Patricia Juliet. He passed peacefully from this life on Thursday, July 31, 2025 in San Antonio.

He lived in many places growing up: Denison, Texas; US Air Force base in Tripoli, Libia; Shaw Air Force base in Sumter, South Carolina; and San Antonio, Texas.

He began a family and had three kids: Todd White, Renee White Draper, and Chris White. He worked for CPS Energy for 35 years. He enjoyed working for CPS and took pride in his work. He retired from CPS so he could spend time fishing.

He loved to fish and hunt. He had many fishing stories that he was glad to share. His other love in retirement was to write letters to the editors in the San Antonio Express News. When his letters were published, he put them on the side of his refrigerator.

He married Sylvia White in his retirement years. They went on many trips together and Mike was blessed to have Sylvia as life companion. She was the best thing that happened to him, getting him out on weekly dates, trips to the movie theater, and living life.

He loved hearing about his grandkids and all the activities they were involved

in. He enjoyed receiving pictures of each one of them. He was very proud of them.

Mike is preceded in death by his parents. He is survived by his wife, Sylvia; three children: Todd White, Renee Draper, Chris White; 10 grandchildren; sister Julie; brother Doug; and many other family members.
