He began his career in 1984 with Beicker Engineering, now Beicker Consultants, and spent 36 years practicing as a licensed professional and working in the concrete contracting industry. Mike was well liked and respected in the construction industry and will be missed by many.

Mike loved his weekends with Joan and their dogters hunting at Z Place in Hondo, TX or fishing at Z Lazy Place in Rockport, TX. Ever the gentleman, Mike always allowed Joan the best deer and did not even take a deer from his

own property for almost 10 years. He also liked to brag about how fast he and Joan could launch and load a boat.

“ Mike was my best friend throughout childhood. We got in the habit of calling each other on our birthdays and I always looked forward to catching up with him. He was one of the most kind, thoughtful and humble person I've had the honor of knowing. I shared the news of his passing with my family. My mother commented what a polite boy he was. She remembered he would also ask permission to raid the cookie jar when he visited. My father commented about how he showed signs of leadership potential in the Boy Scouts and how he was always will go pitch in to help. I'm still having difficulty comprehending how fast this happened and that I won't be able to talk with him anymore. But I will always treasure the memories of him.

“ The best word to describe Mike was authentic. Who you met is who he was. I will miss starting every conversation with a joke and catching up with Mike, and will especially miss his friendship and professionalism. Mike was one of a kind, and a friend to all who knew him. Rest well in heaven my friend.
