“ My condolences to Michelle’s family and friends. I worked with Michelle for 10 years at Neurosurgical Assoc. She always had me laughing. Such a nice person and patients loved her. RIP Michelle.

Michelle was a wonderful woman to have met... very spunky and spoke her mind. She will be deeply missed by all of us here at Alamo Neurology consultants. Until we meet again !! No more pain , fly freely with the angels girl , and say hi to Mark from me.

“*Michelle was my best friend in High School. Even though we were a year apart, we always were together. We always had fun and laughed a lot. We lost touch for a few years but found each other again before she got sick. I will always refer to her as "my best friend". She was amazing and strong and always remained positive. I loved her so much and will miss her terribly. I am happy her pain is over and I know I will see her again. I am so sorry for her family and pray they have peace.*
