“ *I remember being in my death bed in a comma after getting stabbed my mother called him to come and pray for me when I opened my eyes he was the first person I seen there with his bible ill never forget he said chavelita if your right hand causes you to sin cut it off if your right eye causes you to sin gauge it out its better to go to heaven with 1 eye than to hell with both eyes...i had gotten stabbed fr 1 eye to the other but he showed me a scripture that till this day I hold on to.....when I was at my worst no matter how ugly it got he never gave up on me because he always saw what I couldn't see for myself and today im a living proof that prayer work's it took time but Gods never late Miguels prayers over my life were answered today I proclaim true freedom thank God for this man who was a ambassador for Jesus Christ army he ran the race and I know our father God is pleased well done faithful servant.*
