

Milton J. Tejada

October 17, 1992 - September 22, 2022

Our beloved Milton J Tejada entered the kingdom of heaven by the holy spirit on September 22, 2022, to begin his journey in eternity with the Lord Jesus Christ, at just 29 years old.

Milton was fearless, courageous, hilarious, and very handsome to the very end. Born on October 17, 1992 to Elsa and Adrian Tejada who loved him. Milton cherished his four older brothers and two sisters. He loved his many neices and nephews. He is survived by his pride and joy, his daughter Gia Jericho Tejada.

He was a young man of many talents, loved dressing sharp, and enjoyed being around family. Little did we know he had found healing and joy writing about his walk of forgiveness. Milton in 2022 fought the good fight of faith and put it into writing to show his family God's amazing mercy. At the very end, he turned his back, walked away and headed home. Now he is in his true home. He will be missed.

" The end of a matter is better than the beginning, and patience is better than pride".

“ Lil bro my lil bro my soul is grieved and my heart is cold. You know we don't fear death I always taught you, we're just passing thru this place but it was to soon. Im proud you walked away I know this year was different, you were seeking and trying to know God and find your path. From all the stuff you left behind it looks like you already knew. Milton you were seeking and you were believing till the end so I know your clothed in righteousness. Hey you were always attached to me bro I laugh when I think about it but grateful. I heard you and God the other day. I forgive them people, don't trip you walked away from it ima do the same lil bro. not easy but I forgive them all of them. I love you lil bro your death is not in vain it will be glorified, in Jesus name. Tell gussy I said what up I'll be there soon the Lord is coming soon until then me and pookie will continue to live life and life abundant. "Me and milton sang the chorus to this song, I was trying to get milton to mix some praise with his Bible studies you know to lighten the environment for Lord loves the praise of his people. Weve never done this but we sang it together a week before he left this world It goes "Many are they increased that trouble me, many are they that rise up against me many there be which say of my soul, there is no help for him in God but thou O Lord are a shield for me my glory the lifter of my head"

“ To the Tejeda family -

At times when I am grieved, I imagine the Lord enveloping me with his strong, caring arms, carefully holding me just like a father holding his child. I pray that this heavenly comfort will be brought to you and your grieving family today and in the days to come as you mourn this great loss.
