“ I’m going to really miss you mom 😭, I’m going back and listening to all of your voicemails (yes, I saved them all). I know you are in a better place. I know you are with Grandpa, Grandma, Tia Loli...until we see each other again 🥺

“ Mom Trevino was a little hesitant of me when I met her but in time she welcomed me with all her heart and accepted me as her newest son in law. She had a love of music, family and a strong Christian faith that prepared her for her next phase of life. She was a force of nature and will be missed by us all. May she be rejoicing in her rejuvenated mind and body and watching over all of us with Christ or Lord in heaven.
