“ Though we have had our differences we have been friends since 1952 when we met in NURSING SCHOOL. We traveled together along with our friend Isabel, your mom and dad and aunt Mollie many times to Mexico and parties for many a year. I was there with you when your mom and dad were so sick and went to be with the Lord. as you were with me when my folks passed away. You were their for me when I was being treated for cancer. You are my sister by another mister. I love you and you will always be in my heart. I will sorely miss you today, tomorrow and until we meet again in eternity. Beverly
