“ My Grandma loved to drive fast in her Chevy Impala. Me and my cousin Liz would ask her to take us to Pecan Valley park and drive fast up and down the hill. Grandma would say okay let's go girls and we would scream like riding a fast ride!!! So special to me. She loved all her grandkids. Thank God for giving me such a loving and caring Grandma who loved me and giving so many years of memories to my kids. Guy and Gabby loves you so much. ❤️❤️

“ My grandmother was a beautiful lady. She showed her family so much love and the importance of being a godly person. I believe she is the perfect example of how God intended people to be. Now she is at peace after living a long and full life and can go be with my Grandpa and aunts, uncles, and the rest of her family who has passed. I remember she loved to make my sister and I clothes on her sowing machine. I will miss her SO much. I love you Grandma...
