

Mireya E. Munoz

March 26, 1936 - May 23, 2010

Mireya was a strong charismatic woman who will be missed, but her legacy lives on. Mireya was born in Cuba, raised as a child actress, and later met the love of her life. Rafael A. Munoz swept Mireya off her feet and they were married on her 19th birthday March 26, 1955. Their marriage was blessed with children, grandchildren and great grandchildren. Their daughter, Nina, had their first grandchild and apple of Mireya's eye. Natalie, who thought the world of her Grandma and placed her on a pedestal. Years later Natalie's brother, Gabriel was born as well as Sam's Ismael children, Marissa, Stephen and Gianna.

Mireya was the proud Great-Grandmother of Natalie's children. George, Angel, Alexis and the newest addition 5 month old Ashlyn E. Guajardo who resembles her most of all. Mireya was always truly herself. So as we say goodbye to her body let's celebrate with her soul because she is finally with the One whom she places above all else. The One she loves with all her heart, mind, spirit, and soul.
