“ Cory, my good friend, I'm so sorry for the loss of your Dad. He was a gentle soul with an amazing sense of humor (loved his laugh, which I remember hearing a lot) as well as one tough dude, whom I respected and feared growing up! My heart goes out to you and Robin. He did a fantastic job raising you into the person you are today. He could not have had a better son....

“ *Mr. Blocker was an awesome Dad to my bestfriend and mentor to me growing up! I remember him taking the time to take Cory and I rabbit hunting a couple of times, launching rockets that we could never find! He will be missed by many. I am glad that he is at peace again! I offer my hugs, my deepest love and always remember we are friends for Life! Love you Cory! Loved your mom and dad!*
