“ *Nadine was one of the sweetest, most soft spoken, classiest ladies I've had the pleasure of knowing. We have been neighbors for 15 years and even though we didn't see each other or speak as often as I would have liked, it was always a joy to speak to her. I knew to never just show up, because if she didn't have her teeth or her hair done she would shoot me. I did manage to catch her a few times in the driveway! She will be missed by all those who had the opportunity to be in her life. Love you Nadine and will think of you often!*

“*My memories of Nadine are of a beautiful person - inside and out. She was delightful and fun loving, full of smiles and always interested in others. She was always kind to me and loved my son, Aubrey. I remember one time showing up with baby Aubrey in arms at her and Wade's side door in a panic because I had to do some after hours work and needed a babysitter. She said "give him to me and go back to work!". I thanked her and left. The next day I found out that it had been her birthday, and her and Wade Sr were about to walk out the door to go to dinner when I had arrived. I felt horrible, but she shrugged it off as nothing. That's the kind of supportive person she was. I always felt loved and supported by her. She loved her family, her children and grandchildren and all the rest. I remember her taking such good care of her mother too. Well, now they are reunited in heaven. My condolences are with Wade Sr, Rick, Keith, And all their children, Wade JR and Aubrey, and all the rest of her family and friends. I pray you are all comforted in your grief.*
