“ *I would like to extend my deepest sympathies to Walter, Lisa, Edward, their spouses and the rest of the family. Even though I wasn't really around Nancy that much, when growing up, she was always very nice to me. One thing I remember though in particular was when I got hired at Pearl she was very excited for me. I reckon it was the concept of steady work and she thought that was good for me. Loved working for Fritz, but no real future in being a hired hand. Thoughts and prayers to the family in this difficult time. Take care of yourself too Walter.*

“ *To the Walter Geiger Family:*

I was saddened to hear of the passing of Nancy Geiger. I met Mrs. Geiger due to Walter's service as Secretary to the Board of Trustees for the Southwest Independent School District while I served as an Assistant Superintendent. Mrs. Geiger was simply a "wonderful" lady that made anyone feel comfortable and welcome. She was a joy to have around and know that her beloved family will go through these difficult days exchanging many, many wonderful moments of life with her. May Nancy rest in peace and God Bless the entire Geiger family.
