

## Naomi E. Armstrong

October 3, 1930 - September 19, 2018

Naomi E. Armstrong (Gran) died Wednesday, September 19, 2018 in Weatherford, Texas two weeks before her 88th birthday. Naomi received her Master's in Social Work in 1972 and worked as a social worker for many years. She ran the Armstrong Chiropractic clinic she owned with her beloved husband (of 32 years) John Armstrong, who died in 1994. She spent her life continuing social work on an unofficial basis helping others by donating countless hours of her time and money. From playing piano and guitar music for sing-alongs for the elderly to delivering Meals on Wheels she gave freely of her time to those less fortunate. Naomi was a member of the Marshall Baptist Church and the Northside Baptist Church where she taught adult Sunday school classes for many years. She was a loving mother to her son Terry D. Rice, who died in 1987. Gran has been a loving and inspirational grandmother and we have many fond memories of times spent together. She leaves behind, granddaughter and great-granddaughter, Terri Rice and Chloe Kowalczyk of Mclean, Virginia, daughter-in-law Debbie Carlow, sister and brother, Oneida Pool and Donald Underhill of Weatherford, two nieces who were like daughters to her, Frankie Bessinger and Barbara Childers, Nephew Mike Pool, and numerous great nieces, nephews and friends.

Gran has always been a beacon of light that God's love shines through and will continue to be that. She spent her life donating her time and money to those less fortunate. Please consider donating to your favorite charity in her

honor in lieu of flowers.

Graveside services will be held at Mission Burial Park North, 20900 West Interstate Highway 10 in San Antonio on Thursday, September 27th at 10:30am.

“ Naomi was more than just a mother-in-law to me. We spent every Christmas with my daughter until Naomi was unable to travel. Her joyous nature, generosity and laughter added such fun to the holidays. She was a delight to be around and will be missed.

“ Naomi was a wonderful lady and family friend. I have many fond memories of her and John sitting at my mother's kitchen table usually with coffee, visiting with my Mother and Dad, while my brothers and I as teens would be in the other room watching TV. I can see her lovely smile and hear her laughter as Nelva (my mother) would tell her some cute joke. She and I both graduated in the same commencement at Our Lady of the Lake College -- she with a Masters in Social Work, and me with a Bachelors in Music. She had a sense of dignity, caring and fun. A truly remarkable woman. She will be missed.

*...she is in a better place now.*

*Peace & Love from*

*Michael Reed (long time family friend and 2nd cousin to Terri, her granddaughter)*
