“ Naomi, I can't even begin to put into words  
how shattered my heart feels right now. You  
were a borrowed angel, only here for a little  
while, but the mark you left on our lives will  
echo forever. Lord, how I miss you. I'd give  
anything to hear your laugh one more time.

“ I love you my beautiful best friend. how do I go on without having the Sun that shines on my darkness. You helped me with so much, all the laughs, cries, the endless talks I'm gonna miss, the movie nights the river trips, sitting on our beds eating snacks with a budweiser. the way we were there for each other, the love we have The times we spent together, nobody will ever know or even understand how close we were. I fell lost without you. I miss you so much. Dreading tomorrow. I'm not ready to say Goodbye. But I'm guessing it's time and I don't have a choice but I know that I will see you again someday. You were the most sweetest friendliest person I've ever met with an enormous heart filled with love for everyone you met thank you for being you. Until I see you again beautiful. 💕

“ Naomi, Mija I really like it was yesterday taking care of you and your siblings. That is repeating in my mind over and over since I found out you left this world. It crushed me so hard and so much 😞. I just can't believe this, you are so beautiful and sweet and loving and so young. Just why why are you gone 😞😞😞 you probably don't remember me and your siblings. I just wish I was there for you to save you. I love you and miss you so deeply and your family that I never met and your siblings. You will always be in my dreams and heart and soul and mind. You are a beautiful and sweet and precious angel. Love you cousin so much, I cry every single time like right now. 😞😞😞😞💔💔💔💔 Love your cousin Roxanne Michele Palacio.

“ I love you so much & I miss you dearly, my heart hurts for you! Naomi we were inseparable every time we got together. I'll miss all our crazy nights, taking random pics & videos just because we were bored or remembering for the next day, all our heartfelt talks & venting, the tears of joy & saddens, all the things we never thought we'd overcome... but most of all I'm gonna miss you checking on me & being my sister inlaw 💕.  
Til we meet again, this isn't forever. Keep looking over us all, I LOVE YOU NAOMI LYN 🌻
