

Natasha Rae Del Rosario

September 24, 1989 - July 15, 2023

On Saturday, July 15, 2023, Natasha Rae Del Rosario, age 33 of San Antonio passed away to be with the Lord. She is survived by her husband, Romeo, her sons, Zaydon and Shaun; her daughter, Amelie, her parents, Robert and Joy; her siblings, Neah and Nathaniel, Nathaniel's wife Brittany, their two children (Natasha's Niece and Nephew) Isabella, and Ethan, her grandparents, aunts, uncles, numerous cousins, and friends.

Natasha Rae was born September 24, 1989, in San Antonio, Texas. She was a loving daughter, sister, mother, wife, aunt, cousin, niece, and caring friend to all those around her.

From a very young age, Natasha always had a passion to assist those in need. Her laughter was contagious, and she had a smile that could light up the room. She will be remembered as being smart, bold, selfless, courageous, and giving her all despite the challenges and adversities she faced.

Growing up with her family in the city of Floresville, Texas, she learned a lot about life from her tight community and loving relatives. She aspired and felt strongly about personal growth. After graduating High school a year early, she went on to pursue her professional career in the medical field where she earned her associate degree in nursing, Certified Medical Assistant certification, and completed requirements towards a bachelors in public health.

Natasha had a great love and appreciation for the finer things in life such as music, animals, and nature. But above all, she cherished spending quality time with her loved ones.

In her final years, Natasha dedicated her days as a full-time mom and loving spouse. She developed her boys by imparting worldly wisdom and prepared them for life all the while showing them what was most important in life. Even in the darkest of moments, Natasha advocated for what was right and did not settle for anything short of perfection.

Visitation with Natasha will begin at 9:00 A.M. followed by the Service at 10:00 A.M. on Saturday, July 22, 2023 at the Fred J.
