“ *She was the best of the best! God has gained another tremendous angle. Show loved so much, she forgave many, she just continued to love and help people. She was full of compassion, laughter and love. She was so proud of her family for making steps towards a better life. There is just not enough words to explain her kind and loving soul, she will be missed. I will miss her calling me just to say hi and see what I was up too. Dora*
