“ Nick Villarreal made life more fun for many. His music received a lot of airplay here in Laredo beginning in the late 80s and into the 90s. I saw him play with Ram Herrera in December 1988. His show was the best live band I had ever heard. I still remember dancing the whole time he was onstage. RIP and thanks for sharing your music with us.

“ *I worked with Nick and Ruben Tellez (another musician) at BB Saxon. We worked an off base government contract for Kelly AFB. I remember Nick as a funny, mild mannered, person who was always smiling and even performed some jam sessions with Ruben after work hours. He and Roger performed at our parents 50th wedding anniversary. My wife, Linda and I will miss him very much. Our heartfelt sympathies to his family.*

“ Nickie was the sweetest kindest man I have ever met. He was never too famous to speak of the Lord or to simply sing you las mananitas on your birthday. Nickie will be missed. He was greatly loved by so many for his jokes and the smiles they brought. RIP Nick. We love you.
