“ *My dearest friend of over 50 years. How I miss you so much. I will never find another friend so true , honest, and just yourself that never changed to be anyone else. I miss our talks but so happy I was able to spend so much time with you the last 6 months and be with you when you took your last breath. May you be at peace, loved, happy, pain free and with all your family and friends that have gone before you. I love you my friend Nicky and you will forever be in my heart. Terry Amaya Montez.*

“ I’ve known Nick over 30 years. Loved him from day one. He was a constant source of love and support in my life. He always wanted the best for me and was always there for me. He is a one of a kind human, the salt of the Earth. I printed out a prayer for his services that he sent me during the loss of my younger brother, in hopes his own words would help his loved ones the way he helped me get thru this difficult time in my life. I will miss him everyday. Much love to my dear friend Jill and all of the family.

“ It is with a sad heart that I learn the news of Nicky's passing. Friends since Jr. High, with a ton of memories from days past. Condolences to his daughter Jill. I hope our kidney transplant 10 years ago gave you more time with your family, and allowed for peace making where needed. Godspeed, may you have safe passage to heaven.
