“ *Nick was one of those men who genuinely cared about the people around him. He was kind, sincere, compassionate, and ready to get to work doing what needed to get done. He never missed an opportunity to shake my hand and check to see how I was doing, and when he did, he meant it. He was real. I'll always be grateful to him for taking interest in how I spent my life, and for helping me to spend it well. May the Blessed Virgin Mary bring him to God forever. Brother, rest in peace.*
