Nicole Duchene Harbaugh

Nicole was born in Tacoma Park, Maryland on October 8, 1985, firstborn to Robert and Adriane Harbaugh. She was unexpectedly called home to be with our Lord and her dearest mother Adriane on February 23, 2023, at the age of 37.

Nicole graduated from Sandra Day O'Connor High School in Helotes Texas in 2003 and went on to earn her Bachelor of Arts degree in English from the University of Texas San Antonio in 2011. Nicole had an unachieved desire to become a teacher or a writer, but her fate dictated otherwise as she strived to make the best of life while being confronted by several significant medical and physiological challenges that persisted. She had a heart of gold towards her friends and family and cherished her newly found role of being a loving and playful aunt to her niece Emma and nephew Greyson. Her interests were in keeping her cat Michael happy and cared for at all times, and with watching reality TV shows and anything with ghosts and/or zombies.

Nicole is preceded in death by her mother, Adriane. Her immediate family survivors in San Antonio and Boerne include her father Bob Harbaugh, sister Elyse Tate, brother-in-law Steven Tate, nephew Greyson James Tate, brother Robert Harbaugh, sister-in-law Brittany Gonzalez Harbaugh, and niece Emma Adriane Harbaugh. Nicole was deeply loved by family members and

friendships spread across Maryland, Virginia, New York, South Carolina, Florida, Colorado, and Michigan.

A Celebration of Life for Nicole is being planned in Maryland for the weekend of June 16th this summer to include a burial site service at the Maryland National Memorial Cemetery, and a friends and family gathering (location TBD) to share joyous memories of Nicole.

“ My dear sweet Nicole. You will always be in my heart and soul. You were such an innocent and loving little girl. Always joyful and full of laughter. You brought such happiness to everyone in our family. I remember being at the hospital the day you were born and how excited we were to meet you. You were truly gifted with expressing yourself in your writing. I loved exchanging letters with you. I have kept every letter and will read them often as I remember you. I know you are in the loving arms of your mom and grandparents. God is with you as you rest in peace. Our world will never be the same without you. All my love forever, Aunt Sue
