“ My sweet little boy. Happy heavenly birthday. So hard to believe you are 11 now. So much time has passed. I think of you all the time. I imagine the things you would be doing, the things we would be doing. I miss you. Love you so much.

“ My sweet baby. It's hard to believe 9 years have passed. I thought I would never be able to move forward. It has been hard. I miss you and I think of you everyday. I pray that you can feel the love I have for you. I will continue to pray for strength. I know we will be together again one day. All my love ❤️

“ My sweet baby. I miss you so much. I think of you every day and I pray for you every night. Your smile would light up a room. I imagine gine all the things we would be doing. I can't wait until we are together again. I will love you until I breath my last breath.

“ *My dear baby boy. I miss you so much. Not a day goes by that I don't wake up thinking of you and my last thought of the night is always you. So much has changed. You have a brother now. And when he is old enough I will tell him all about you. I will love you until I breathe my last breath.*
