

Noah P. Neshem-Casso

April 27, 1999 - May 25, 2021

Noah Patrick Neshem-Casso, “Hedgy” or “NuNu”, 22, of San Antonio, TX, passed away on May 25, 2021 at his home doing what he loved, talking to his friends on his computer. He was born April 27, 1999 in Travis Air Force Base, California to Miguel Casso and Marte Neshem. For seven years of his life he lived in Orting, Washington before moving to San Antonio in 2007. In 2014, Noah met Evelyn Amber “Eve” Quiroz at Tom C. Clark High School, and on August 2nd, 2017 they began dating.

Noah recently started working at Lucy’s Doggy Daycare. He really loved working with all the animals and staff there. Even through multiple doubles in a row, he remained energetic and excited to share his day with us, always with pictures and videos of the dogs he had taken care of. He previously worked at Snooze AM Eatery, where his love for food flourished. He also worked at Fiesta 16 Theatres, Chipotle, his grandparents earth moving company Gratech, and his mother’s estate sale business. At Gratech Noah fell in love with welding and learned the value of hard work. He really wanted to make his grandparents proud. In his free time he volunteered at the food bank and helped foster kittens with his little sister. Noah graduated from Tom C. Clark High School in 2017 and attended The Culinary Institute at the Food Bank in 2018.

He is survived by his parents Miguel Casso and Marte Neshem, his sisters Amelie and Annabelle Neshem-Casso, the love of his life and girlfriend Eve Quiroz, his grandparents Harley and Nancy Neshem, his four cats - Petri,

Bud, Penelope, and Olympia - his dog niece Marylin and cat niece Venus Bee, and, most importantly, the many friends he made along the way. He was preceded in death by his Abuelita Carmen Casso and Abuelito Jose Luis Casso. Noah was everything to those that loved him. He was smiles and laughter, the light of our lives. Noah was always himself and knew exactly what he wanted from this world. No amount of words can sum him up, and no feeling will come close to what he could bring out in others. If you find yourself missing Noah, wait for a sunny day when his smile can beam down on you from the sun above.

“ My children and I were blessed to have known Noah. Whenever he was with us he had a smile on his face, and kindness and generosity in his heart. He really did care for my little guy. He had a love for video games. My son who was a few years younger had a growing interest as well. It wasn't always easy for us. We have a very modest life and a new computer for my son wasn't possible. Noah worked hard one summer and saved for a new gaming computer. The first thing he thought to do with his old laptop was make sure it got to my son. He was always so giving and kind. Noah your bright smile and thoughtfulness will never be forgotten. In loving memory.

Michael, I just want to say that I am so very sorry for you and your family for your loss. There are no words for me to tell you that will make you feel better as no one ever wants their child to go to heaven before them. I remember Noah as a little boy all dressed up for Yahaira's 15th and they were all so cute and well behaved. You were so proud of them. We all love you and send our condolences. ❤️
