“ I have been neighbors with Rene and Gloria for almost 17 years. While they were next door, they were always on my route to the bus stop and I spoke to them daily! A funny anecdote, I always thought Rene's name was George and over the years he always answered to George to me! I know that he is now one of those Guardian Angels looking over Gloria and his family throughout this strange and crazy journey we call life!!! I consider Gloria a friend and hope she knows that I am always here for her!!! GOD BLESS this family in their hour of need!
