

## Nora Willborn Flanigan

June 2, 1954 - December 16, 2018

On Sunday, December 16, 2018, Nora Willborn Flanigan, loving mother and grandmother, went to be with our Lord at the age of 64. She struggled long and hard and in the end lost her battle with COPD.

Nora was born on June 2, 1954 in Munich, Germany, to James and Geraldine (Geisert) Flanigan. She was a 1972 graduate of Sam Houston High School. Nora held many jobs throughout her life until her retirement from Southwest Airlines. She was blessed with one loving daughter, Jennifer, who also became Nora's amazing caregiver during her final few years.

Many would describe Nora as the most fun, loving, strong, passionate and generous person they knew. She was always willing to lend a helping hand, give advice, or share her last \$20. She enjoyed being surrounded by the people she loved and family was most important to her.

Nora was preceded in death by her parents, James and Geraldine. She is survived by her daughter, Jennifer (Alex) Torres, grandson, Colton, siblings, Stephen (Carol) Flanigan, David (Teresa) Flanigan, Diana (Jeff) Bennett, Kevin Flanigan, Theresa Flanigan and Eileen (David) Stuebben. Nora will also be remembered by numerous nieces, nephews, extended family and friends.

Services will be held on Friday, December 21, 2018 at Mission Park Stone

Oak with a Rosary at 11:00 a.m., and the memorial service at 11:30 a.m., with Deacon Tim Tate presiding. A reception will be held immediately after. The family would like to send a special thank you to the nurses, CNAs, and respiratory therapists at St. Luke's Baptist Hospital for making her feel loved like family in the final days of her life.

“ *My heartfelt sympathies to your family during this difficult time. I recently lost my mother in death and know how you feel. Death is truly an enemy. Something that helps me find comfort is knowing God's promise about the resurrection of our dear loved ones as found in the book of John. (John 11:25)  
I hope you can find comfort from God's promise as well.*
