

Norma Jean Dennis

May 4, 1931 - February 21, 2022

“A woman so full of warmth and love, only the sun itself could rival in comparison.”

On February, 21st 2022, Norma Jean Dennis was called home to return to the rest of her family. She is remembered fondly by those surviving her and endearingly call her Ma-ma. She loved traveling and would never hesitate to relate her trips through Alaska and Germany with her husband and soulmate Roy Richard Dennis. The two shared many laughs and memories with one another until his passing in 2018. She was usually a beacon of kindness and comfort to all she encountered. She was also very pertinent to the growth and development of all of her grandchildren. Grandma was an outstanding cook and never shied away from sharing the kitchen with her loved ones and sharing her meal with her lavish and fashionable “Sunday Bests,” as per tradition. She was a songbird and a dancer and now her laughter and smile can brighten up the darkest corners of her next life. Visitation will be held from 6:00 – 8:00 PM at Mission Park Funeral Chapels North on Thursday, February 24, 2022. Church services will be held at 10:00 AM on Friday, February 25, 2022 at Oxford United Methodist Church with entombment to follow at Mission Burial Park North.

“ I love you and will miss you, Aunt Jean. If I had known, I would have been there today. I will always remember you for your smile and kind heart. I know you're in heaven walking hand-in-hand with Uncle Rick, Debbie and Ricky. God bless you!

“ Jean and Rick attended Oxford UMC's early church service as did my husband and I, and we made sure to sit nearby because they were such a delightful and bubbly couple. They always had something positive to say, and we looked forward to visiting with them before and after the service. I was privileged to know Jean on a deeper level towards the end of her life here. She missed her family who went on to Heaven before her, but was grateful for the many friends here whom she loved and who loved her back. In her final days, as in the familiar song, she triumphantly turned her eyes upon Jesus as the earthly things grew strangely dim in the light of His glory and grace. Rest in His wondrous love and peace with your family, precious friend. Blessings, Pat and Dan Smith

“ We loved Sitting next to Norma "Jean" and Rick almost every Sunday for years. She had a beautiful smile and was always very talkative. She and I took a trip to Mt Westly one year for a Mission Day trip for the United Methodist Women. We had a wonderful time. We talked, laughed and I loved listening to all of her stories about her and Rick and Germany and all of her family and her dog. Her family was very precious to her. She also loved to bake. She and Rick will always have a very special place in our hearts.
We Love you, Jean.

Jean and I knew each other through the Beethoven Damenchor for years. We always took special delight in the we are both named "Jean." Would always laugh when we greeted each other by name. She was a beautiful, gracious lady and Claus and I always thought so much of her and Rick. Just nice people and faithful members to The Beethoven. They will always be remembered and missed.
