“ My grandma was truly one of a kind! She was the most understanding, forgiving, & caring person anyone would ever meet. I could speak with her on the phone for hours, just talking about life; the good & the bad. She would never judge my life choices even if she disagreed with them. Even if we didn't believe the same things, she still kept her faith strong & I really admire her for that. I will forever miss her calling or texting me throughout the day. I'll miss playing parcheesi & the card games she taught me. I'll miss all the goodies she baked for me, the family, friends, & caretakers. I'll miss all our little jokes we've kept going over the years. I'll miss all the mini outings we took. I'll miss being needed; & I'll especially miss her being there for me when I needed her most. I must be dreaming because this doesn't feel like reality right now. Every time my phone goes off, I still hope to see her caller ID. I'm grateful our last conversation & our last visit was on good terms & I'll forever cherish that outcome.

You will forever be the biggest part of my heart & I feel comfort knowing you'll be watching over all of the family. I love you so much grandma & you will forever be missed❤️

“ *My mom was a very forgiving person and she was always saying that life is short and especially with family at the end of the day WE are family. I've been told I look like my mom and I know that I sound like her or vise versa cause when I was young I remember that my friends would call the house and she would answer the phone and they thought they were talking to me. Lol talk about getting in trouble my mom would find out the stuff I was doing because they thought she was me. Many times people have called and think they were speaking to her and it was me. Lol the crazy times we had with that. Heaven gained a hero in my Mom. Till we fool people in heaven with our same voice, keep dancing with the Angels and see everything as beautiful as it is. Love you first born (and the best) Debbie and my sidekick you gave me Bella*

Hi just do not know where to start i'll start by saying my name is Chuck Lara Hernandez I met Carol through a mutual friend in 1986 weeks have gone by and I met Mr. Garcia and Mrs. Garcia and rest of the family that's Debbie, Steve and Michael sorry I left one thing behind. They knew me as Charles at that time.lol . I became friends with Carol. and continue being friends with Carol. and became part of the family. we went out we partied. we had another friend her name was Lorraine. we hanged out with. we did all kinds of crazy silly stuff like going out. and there was a time when I went to go visit. The family and there was Mrs Garcia baking. I asked Mrs Garcia you bake she said yes. Mrs Garcia replied you want to learn how to bake. I said well, I know how to bake. but just a little not that much. I have not learned a lot, but can get away with it.lol . And I said Mrs Garcia, you know more then me you can bake. Mrs Garcia said don't worry, Charles I'll show you.I said thank you Mrs Garcia because you can do a lot more baking than I can so one day, Mrs Garcia invited me to her home we had baked Mrs Garcia had showed me how to frost a cake and decorate and that was awesome we had laughs and had a good time at the same time. Mrs Garcia took her time. to show me how from there I picked up her ways how to bake and I started baking just like she taught me. lol the family was so awesome to hang around with I continue hanging more around with the family and doing family stuff like barbecuing doing parties and one day I popped a question when Carol started having family and I started having a little one myself I asked Carol would you like to be my child's godmother? Carol did not hesitate real quick.Carol said yes I said OK.lol . Mrs Garcia baked a beautiful. Baptismal Cake and Carol became my godmother to my child. No Carol is more family and godmother then a friend now we are part of the family and my kids call her aunt Carol she's known as aunt Carol to my kids I had always consider aunt Carol kids and grandkids as part of the family as there uncle Chuck. lol . when me and Mrs Garcia worked at the house I will talk to her about what's on my shoulders, Mrs Garcia will say u can talk to me before her shift had ended. Mrs Garcia would listened to with no judgment so I started having a conversation about my life Mrs Garcia said I will never judge you, Charles and never questioned anything I had said to her about my life all Mrs Garcia said your business and don't worry what anybody says to you it's your life Mrs Garcia would say it's your life be careful. Watch out with others. and do not trust no one keep to yourself. There was something about Mrs Garcia that I can get things off my shoulder she give me a hug and said, leave it to your God . Mrs Garcia heart is so sweet and cared for those. She loved. and when I get the chance, I always ask aunt Carol how the mom and dad aunt Carol would say there doing good but Mrs Garcia was feeling a little sick I said too aunt Carol prayers hope she feels better. Amen. Then couple days passed by and I hear the worst I heard. It's the worst news you ever heard. That Mrs Garcia passed. It broke my heart to hear the said news because Mrs Garcia Norma had to leave this world

you are an angel with wings, Mrs Garcia, Norma may you rest our Lord God Jesus needed another angel and he chose you do you want me again?love Chuck. And I'm feeling sad cause I do not know what works to say, our lord god Jesus help Mr. Garcia get through these difficult times in Jesus name amen
