“Happy Heavenly Birthday 2023”

My Dear Comadre, I can imagine the Festive Party you are having.

As we deal with grief day at a time, We know you have first hand, that Your Compadre Hondo, my beloved husband, is now building our home, in heaven, hopefully next door to you, so when we all join together and enter our heavenly homes, to receive our final gift of Grace.

Yes ! 3/3/23 at 3:33 am is when God called him home.

God Called on each of you:

Jan 1 you left to go home.

Mar 2, Ant was waiting to join you

Mar 3, My loving Hondo is there to join you all.

We now grief over each of you, with our loving families, with tremendous sorrow.

I know how you are so into Angel Numbers and “the number 3” is powerful and strong in our presence during our journey. The shoes have now turned, if you will, where Evannie now checks on me now and then to assure me she is here to give her love and support. She was wonderful as always during my time in need. And our dear Compadre Tony stood with her. We now bond with walking on the same path.

I share with you, my wounds of losing you are now opened again, of my disbelief, when God called Compadre Hondo to come home. It is painful heartbreak to live with, but by the grace of God he’s carrying me and the boys through the journey.

We put my best foot forward daily and ask God to help us through

this journey of mourning of all three of you in heaven. Watch over us as our guardian angels and enjoy the love of your surroundings on this special gift God gave you on November 17.

We love and miss you

Comadre Diana and My Men, Jacob and Josh.

“Happy New Year 2023”

**Comadre*, Today, It's a Happy New Year, knowing you have settled in your best home, where we will eventually join you one day and although our grief is still in progress, what helps our healing is that fact. Not being here physically on our earth home with the rest of us, helps to accept our heavy hearts and souls. I'm know you are giving God a mouth full of favors and he's definitely listening and helping your earth family in so many ways.*

I check on Evannie now and then to assure her, we are here for her and to give her the love and support even if it's a listening ear. It brings us both a peace of mind, healing process as time goes by. NO Matter what, we sure do miss seeing you and hearing your voice, and all the past times we hold close.

You know already what I am about to say, “ Evannie is being and doing all that you expected her to do. We're so proud of her “.

*To End: “ COMPADRES FOREVER”
Keep us in prayer with our God next to you.....*

“ *HAPPY BIRTHDAY OUR COMADRE* “

November 17, 2022

From the day, our Lord called you home, January 1, 2021, I can imagine how beautifully your new journey is with Anthony, Your parents and all your loving family and friends there with you. What I can't imagine, is how painful and missing you, is without you. I hold precious moments we made, especially on this very day. It's true what people say, Memories are part of the healing process. I'll always have them until we reunite and make more. ...

Thank you Comadre for keeping us safe, loving and being there for Ivonne and her family.

Helping her understand in small times, her everyday living to life journeys she has here on earth, make all the sense in the world and so meaningful. I don't have to tell you what you already know. She's SUPER and AWESOME. She is what you knew she was made of.

Now you with Our Lord, Your Blessings and the love of your fruits of spirit are helping us get through our loss but always in our hearts.

Have a GRAND HAPPY BIRTHDAY TODAY!!!

“Happy 2022 Year” Our Comadre”

Year 2021, I struggled with what has always been

Comadre, our deep conversations were to always remind ourselves TIME never waits for us.

Yet, today, I am reminded of this day, when you and the Lord followed his plans. The questions to the answers never end. I'm finding the peace and embrace his grace, you were the chosen one.

I definitely know you are guiding Ivonne and the family through their journey. Surround her with your love to carry her through and walk with her with each step of the way. She needs you.

We pray daily for each of us to find peace and comfort, to know you are now settled in and guiding each of us with his plans.

Through our spirits, we find many most precious memories, reminders and thoughts of you.

I'm so grateful, you and I walked truth and find comfort you are at peace.

TIME is now, 2022 and I seek your guidance to help us as flesh, to move forward, until we all together again.

“HAPPY BIRTHDAY OUR COMADRE”

Today is more special than ever because you are now with us in our spirits.

One year ago today, was our last conversation, hearing your crazy, raspy voice and laughter we were sharing. Putting our plans for your visit with us in December after your birthday month for the next year due to the COVID-19 PANDEMIC. You enjoying teasing Compadre Hondo how you were looking forward to his traditional Turkey “Gobble, Gobble greeting”, when answering your phone call.

I pray daily, for our Lord, Jesus Christ, to carry each of us, through the journey. I knew Death was real, I just did not know how painful it was.

*Today, we celebrate you
Your home in heaven is carefree and pure
We dedicate this song to Ivanne and her loving family and Our Compadre Tony.*

*We love and miss you

Even though time passed between our connections, it was always so good to talk to my Prima. I have many fond memories of her. I recalled a time period we had not spoken for awhile and then we ran into each other when I started working at USAA and you told everyone we were cousins. Then you followed that up with picture frame with pictures of us including my siblings and yours when we were kids. It was a special heart felt gesture from her but that was like her to do things like that. My cousin had a heart of gold and she welcomed everyone into her house. This is the worst thing about the pandemic, it takes people away that you should have spent more time with while they were here. I will never forget you prima.

“ Ivannie, Jesse, Tony and Family;

Overwhelmed!! with heart break, is my feelings this minute, if you will, as I read all the beautiful loving condolences online and how she will be so missed,

I'm quickly thinking, " I understand how she was always Tired".... Her loving wings she stretched as far as they could go with every individual she held close to her tirelessly soul... Her out pour of Love is to the heavens and back. Her Celebration of Life lives on....

Our family extends our Love, Support and heavy Hearts, for her unexpected passing. I keep saying, "it wasn't suppose to happen to her" Selfish of me, Yes!.. Trusting God it was in his plans, Yes!

In our Flesh World, we're dealing with waves of emotions for our loss. The one huge grateful Blessing, we can find comfort in, during this scope of the horrific pandemic, Is God and her were making plans and knew what she wanted to do. Thank you our Father for letting us share her with you.

Ivannie, overwhelming it is for you, but loved, you knew. Sure as I say, everyone will feel, she was our GATEKEEPER. She knew everyone's everyday life comings and goings and she filed it in her Heart of Gold under that tab.

Years ago, I wrote a short story-telling book, "My Comadres Forever" and would like to share a few lines from the book, of our dear Comadre

" Her love is powerful as she carries, her HUGE sensitive heart she wears. She accepts what life gives and holds for her and knows it is what it is. She seeks God almighty to keep her on the path to be confident and faithful in being the best she can.. She holds honesty as her best policy and understands who and why we are who we

are and pours her sensitive heart over each one of us with so much spirits. And grateful to be loved by her and her family.

May each of you find comfort, peace and healing as we ride this journey together and know until then, she'll be waiting with loving arms.
