

Norma T. Nieto

November 6, 1946 - March 21, 2021

Our precious mother, Norma Nieto, passed away peacefully in her home with her family by her side on March 21, 2021, at the age of 74, in San Antonio, TX. She was born on November 6, 1946 in Laredo, TX.

She is preceded in death by her parents, Isidro and Amelia Trevino. She is survived by her loving children, Nadine Melissa Nieto-Alcala and husband Julian Alcala, Maricella Villarreal and husband Gilbert Villarreal III, and Rey Nieto, Jr.; 4 grandchildren, Linus Villarreal, Isabel Villarreal, Alec Alcala, and John Tristan Alcala; siblings, Sally Rodriguez and husband Frank Rodriguez, Sara Trevino, Emily Stone and husband Alfred Stone, and Isidro Trevino, Jr., and numerous cousins, nieces, nephews, and friends.

If you had the pleasure of knowing our beloved mother, even for a short time, you knew fairly quickly that she loved her 3 children, 2 son-in-laws and 4 grandchildren beyond measure. She was happiest when we were all together cooking, baking, planning our next vacation, talking at the same time and laughing, laughing, laughing.

She loved her younger sisters and brother who she regularly spent time with and whose best times together involved slot machines and coupons for the all-you-can-eat buffet.

She was a graduate of the Blessed Sacrament Academy class of 1965 and attended San Antonio College.

She worked for the U.S. government and retired after over 30 fulfilling years. She was awarded many praiseworthy citations because of the quality of her work and the expertise she showed while working for the Treasury Department in the U.S. Customs Service and Homeland Security.

Her beauty was contagious. You left her side feeling that you too should wear less makeup, speak more intelligently and smell more sweetly because she did all of those so naturally.

She would relish in watching television shows with her grandchildren about the existence of aliens as they cuddled up close to her on sleepovers and they always left in the morning “believers”.

She had an encyclopedic mind for classic movies and could watch them over and over. She loved reminiscing about actor’s and actresses’ personal lives as much as the fine films they made.

She never left a home improvement store without a plant for her front step. She never left her house without carefully selecting just the right piece of jewelry to wear and she never left the grocery store without a sweet treat for dessert.

She was a faithful Catholic who loved and served the Lord all of her life and she passed her strong beliefs on to all of us.

We are certain she has been joyfully reunited with her father, whom she lost too early, her mother whom she lost recently, and her beloved pet dog Abby

Rose whom she longed to hold again.

We feel privileged and honored to have been her children. She always loved us unconditionally and she was the best mother anyone could wish for. We will miss her forever and never forget her beautiful smile, her infectious sense of humor and strong will.

As she always told us, we will love her “all there is...to the moon and back.”

“ Norma was such an important and beloved part of our family. Her loss is just immeasurable. She had a fantastic sense of humor! She was smart, independent, strong and so very brave when faced with so many health struggles. I admire her so - when I'm feeling sorry for myself or find myself complaining about my own issues, I think of her and push on. She beamed with pride over her children and absolutely adored her grandchildren. We'll miss her so.

“ *Oh I have so many, many memories i would like share! Like countless childhood mischievous adventures Norma conned us into. Like the many late summer nights we would crawl like G. I. Joes into mom's bedroom (she had the only AC cooler in the house) all the while quietly giggling so as not to wake anyone up. As adults, many late nights playing slot machines at casinos, quietly cussing at the machines if we didn't win or low keyed "OH YEAHS" if we won! I was always amazed at how Norm, what I called her, could imitate many actors with famous lines of countless movies, new or old! Norm was a loving, generous daughter, sister, niece, cousin, mother and grandmother. She adored her children, grandchildren and son-in-laws. She was extremely proud and supportive of them all. I will miss Norm dearly but all I have to do is close my eyes and see her beautiful smile and hear her say "I love you" as she did every time we greeted or said goodbye. I love you Norm, you'll be forever in my heart until we are together again.*
