

## Norma Torres

June 11, 1934 - February 16, 2025

Norma Torres born June 11, 1934, in San Antonio, TX to Pete and Consuelo was called home to be with our Lord on Sunday, February 16, 2025, at the blessed age of 90. She is reunited in heaven with her husband Abel; sons Pete and Nick; great-great-grandchildren Jordan and Auzir. She is loved and will be greatly missed by her son Bill; daughter Jenelle; 8 grandchildren; 18 great-grandchildren; 9 1/2 great-great-grandchildren; Nana's adoptive family Belinda and Rudy; 2 grandchildren; 6 great-grandchildren.

Norma lived a long, beautiful and spirited life. Her love for family, friends, her neighborhood, food, shopping, fashion and interior design made spending any day with her a warm, enriching and special experience. Whether you were just sitting on the porch talking about the world, sports and life, or spending a feast-filled, gift-giving Christmas at her home, she made us all feel so very special, understood, and most importantly, loved. Whether you knew her as Norma, Mom, Grandma, Mama, or Nana, she demonstrated a motherly way of generosity, nurture and kindness, while being an inspiring example of beauty, strength, intelligence, independence and honesty. Norma only loved one way. Unconditionally. We have all been so fortunate to have experienced love from her. To the woman who treated us all the same way in love, we honor you, Mother. Rest in eternal paradise.

“ A precious gem treasure I got to know as child. she had a heart of gold and she was always giving and selfless of herself. caring for others in need and family was very important to her. And she was our Christmas angel when she made Christmas miracles appear in bleak despair cold times. As a child of 8 she made you feel welcomed and invited and tried the best she could. Forty years later she has always been a warm special person to me.
