“ To my Tia Odie where to start this lady could probably fix anything if it was a car more then likely she knew what was wrong, something in the house she could fix it. And if she couldn't I know she would definitely find a way. She was so very strong never did I here her complain about anything, so loving and very very caring. I'll always remember when I was a little girl going to watch wrestling with my Tia and uncle Felix I will always cherish those memories. Rest in paradise tia you will be greatly missed.

Love

“ What can I say about someone who I love and will miss terribly. Mom welcomed me into the family over 34 years ago with open arms! Most in-laws would loose touch after a death in the family, but not Odie! Her strength held us deep within the family through thick and thin. She has always treated me as one of her own and now my heart breaks to see her go! I know now that she's Home with Felix, Dad and Esther. I love you Mom and I miss you!!

*My wonderful and loving mom. I miss you more than you'll ever know. I want to call you and hear your voice. I want to see you and talk and laugh like we used to. There are many things we enjoyed doing together that I already miss. I know the time has come for you to be with our Lord in Heaven and to be Home with Dad, Esther, Felix, and other family members and friends. I will always remember your strength, comfort and love. You will forever be in my memories and in my heart. I LOVE YOU FOREVER!*
