“ Odessa was in the same home as my Mother-in-law, and every time we went to visit, the two was always together and talking and laughing.

*They always claimed they knew each other for a long time, however they didn't.*

*She was a funny, loving lady and she always had us laughing. My husband, would always say to her, ask me no questions and she would respond with, I'll tell you no lies. We even have a video of her, braying like a donkey with my husband.*

*She will be really missed by everyone.*

*May her family find peace at this time of their life.*
