“ Dearest Aunt Henrietta, cousins and family, our deepest condolences on the loss of such a great Uncle. Uncle Odie was one of my favorite uncles. The great memories of him in his Mailman uniform to his jeans and boots hanging around in the back yard grilling. Thanks for the great memories...May you Rest In Peace. Big hugs to little Odie!!! ☐

“ Hello Penny, Henry, Nicassia and everyone connected to your family. It is such a difficult time losing a man who was salt of the earth. We can think of no other man who had such a fine demeanor and intense love and curiosity. He loved his family and all of his extended family fiercely. He never ever suffered boredom and seemed to be interested in everything that crossed his path - especially nature. We loved Odie and very much love his family. It is such a hard loss and during times of desperately trying to practice social distance we hope you know you are not abandoned. It would not have been possible to be near you and keep from holding each one of you tight in our arms. I hope the day comes soon that your tears will be replaced with laughter and joy during moments of memories. Right now it is crushingly painful. Please forgive us for not standing at your sides today. We very much would like to watch the video on this site, - can someone text the password please. With love and compassion, along with many tears - Patty and Ben Taylor

“ Uncle Odie, 3/20/2020

You will be truly missed, I will always remember the days when I was little sitting in back of your old brown/tan pickup truck with the dogs going to the land.. Finding Nikkia , your brown sweet little mare and riding her :)... I will also remember going to the land with dad and meeting Twister for the first time when he was just a young colt while feeding the other animals.. I'm not sad for the simple fact is your no longer suffering, your with Mom, Dad, Your son, your parents and Grandma and Grandpa Carvajal and GOD...

I know your not Resting in Peace only because your rejoicing with everyone and Mom can throw a heck of a rejoicing party LOL...

Jason and I will always miss you and wish the family nothing but good wishes.. Please Give Mom and Dad a hug for me tell them I miss them, until we meet again.. Oh and please take care of my Bella (she's my lab mixed) with a white face and red with a black tip on her tail.. Knowing Dad he said this dang dog again LOL...

Love You!
