“ Abuelita you were not only my grandmother but another mother to me. I will deeply truly miss our laughs, talks, late night shopping runs and our trips. I was blessed for 40 years to be around a remarkable woman like you. You taught me so much and I will pass everything I learned from you to Addie and Maddie whom adore you and whom you loved so much. May you watch over us Abuelita till I see you in heaven. "Yo Te amo mucho abue....yo tambien te amo mucho mi amor" those are the words I will truly miss.
