“ I have known Ms. Garcia for 51 years, having met her when I was in the 9th grade.....how time flies. Over the years, I always felt accepted, met with a smile and an embrace as I entered her home. She had a beautiful spirit about her and a witty sense of humor; and many times she would say something funny that was true, when you least expected. To her credit are a beautiful family that watched over her with respect, patience and understanding from the beginning until the final hour. You will be missed Ms. Garcia! May you Rest-In-Peace!
