“ Mom we thank you for being there for us. She thought of our busy schedule so a phone call or card was enough for her. She loved spending hours at Wal-mart looking up & down every isle, even if she bought a few things. Our family with mom had some great times family BBQ's, garage sales & traveled. We love you and now your peacefully resting with no pain. ❤️🙏🥺

“ *She loved music, all kinds of music. We celebrated her and you can tell she was happy. She was a simple woman never wanted anything but always wanted everyone around her to live their life and be with their families. Thank you Mom for everything. ❤️*
