“ *Pam and Loretta. I have many fond memories of how we use to play as little girls when our parents would get together. How the years have flown. One special thing I will always remember is how sweet and kind your Mom has always been to me. Her friendly outgoing personality, her kindness, her hugs, her laughter, and her gracious smile will be greatly missed. She was a very special lady and I thank her for being such a great friend to my Mom and Dad all these many years. I am so sorry to hear of your beautiful Mom passing. My thoughts and prayers are with you.*

“ How times flies, it seems as it was only just a few years ago that 2 families, Davilas & Saldanas happily resided in beautiful East Austin; my mama Santitos babysat Olga whom she truly enjoyed doing! Our Heavenly Father works in very mysterious ways, so when He saw Roy Perales's lovely wife suffering, He & His Jesus Christ picked her up & took her to His Heavenly Home.....where there is no more pain & suffering! Amen We now ask The Lord to watch over Mrs. Olga Lucille Davila-Perales familia here on His Earth! My wife Anna Maria & I send our sincerely condolences filled with prayerful messages, for her other surviving relatives.

“ Olga, best known to me as Olgie, was a funny, loyal, smart, giving and a best friend to me for the last 38 years. We met when our boys were in first grade at Jackson Keller and that is when our friendship began. From taking the boys to cub scouts, to practices to the time we enrolled them in dance classes because we thought they needed to learn coordination:), through the good times and hard times she has always been there for me. When my mom passed away she and Roy were the first people at my door asking what can we do for you, classic Olgie:) A couple of my favorite memories...on our third day at Weight Watchers being asked to leave because of us laughing so much and then the time she walked out with her Longhorn shirt on and saw me in my Aggie shirt and she said “I don’t know about this, riding with an Aggie”, then we started laughing as she got in the car. And oh, how I will miss our yearly Irish coffee get togethers in March at Blessed Sacrament. My son ate at her house countless times as she was second mom to all the kids. We have shared our catholic faith, the love of our children and the love of being a grandparent along with our differences in politics but nothing could make us argue, we just always laughed. I will miss our adventures and times we spent together laughing and joking around because with Olgie there was never a dull moment...until we meet again, all my love dear friend,

“ So sorry to hear of the passing of Olga. She is now surrounded by her parents and siblings. Olga was a wonderful friend who never met a stranger and established friendships with everyone she met.. I don't really remember where Olga and I met. Perhaps in school. .. But once we met our friendship lasted forever. She was a kind and giving person and loved to laugh. She will certainly be missed. Will keep the family in prayer. Rest in Peace my dear friend, until we meet again.... Irene Mendez-Tello

“ So many memories with this wonderful lady...hard to pick just one. I recall her picking us teenagers up from Blossom Athletic Center after a Lee High football game...as she gets us out of there a person honks their horn at us to which she responded abruptly "Shut up fool" which had all of us crying in laughter...I use fool often to this day...I'll always remember how she always was welcoming and like a typical Mexican mother would feed you until you were ready to explode...she was a second mother to many including myself...my heart is heavy...and pray that "Mrs.P's" family finds strength and guidance during these hard times...her legacy will continue through all of us that loved and respected her...Mrs. P RIP and I'm eternally grateful to have hugged you one last time weeks ago at my grandma's funeral...you will be missed tremendously...

“ During my boyhood, Mrs. Perales was like a second mother to me, I spent so much time with Roy and their whole family. They were kind enough to drive me to and from soccer practices and Cub Scout meetings, allow me to sleep over on countless occasions, and take me on family vacations to places like AstroWorld and Laredo, Mexico. They laughingly called me “tacuache” (possum), and we always laughed about a “What about the fruit?!?” incident at the US/Mexico border. When I think of her, it’s her endless kindness and her laughter that stand out the most. She was truly a wonderful lady.

“ I grew up 4 houses away from her. She was like a second mother to me. Always so encouraging and proud of everything thing i did. Mrs. Peralas would leave her front door unlocked for us crazy kids so we could come and go as we pleased. She would give us snacks and meals that were always fresh and delicious. Her Christmas decorations were always so beautiful just like her. Thank you Mrs. Peralas for always taking care of me and for all the great memories. You will be greatly missed. May you Rest In Peace.
