“ I remember at a young age my tia Olga would visit us from Dallas. And take me to Woodlawn lake Park. In her sweat jacket and pants and headband.We would go and go around two laps around. There was a spot I always wanted to see the ducks. She would say "Eee no Andy your going to fall in the water mijo and your mom is going to get mad" She would tell me I would tell her Tia Can We Talk? And tell her everything that was going on at Grandma and Grandpa Montoya's house. I also loved when I was in Elementary I would walk to her house and she would make me a sandwich,chips and a banana. And her famous Banana Cream Pie. I'm so glad I got to see you one last time and give you one of my big bear hugs. Love you Tia so glad you got to meet my children. Tell Grandma and Grandpa Montoya. We love them and miss them. Till we all meet again Love You tia. Your Favorite Nephew!! Lol Andy
