

Olga Sanchez

July 23, 1933 - March 2, 2025

Our beloved mother, grandmother, and great-grandmother, Olga Sanchez, was called home to be with our Lord on March 2, 2025, at the age of 91. She was the oldest of four siblings and was born on July 23, 1933 in San Antonio, Texas to Pedro and Isaura Talamantez. Mom attended Edgewood and was their class President and also their Prom Queen. After graduation, mom was offered a full scholarship to go to college but declined so she could work and help her family. Mom worked for the Health Department from 1952 and part of 1953 at the city Chest Clinic on the grounds of the Robert B. Green Hospital as a Medical Secretary and later transferred to the Health Department Business Office and was in charge of Payrolls and Records until she and the love of her life, our father, married in 1955.

Our mother was a loving, compassionate, kind soul who prayed unceasingly for all who crossed her path or were in her heart. She prayed for strangers, the homeless, young people, old people, people who were ill, her friends, family, deployed military personnel, our country, our pets, strays and everyone she met. Her heart was huge and so filled with love for everyone. Mom always practiced what she preached; she was the epitome of LOVE.

Olga Sanchez was preceded in death by her husband of 67 years, SGM (Ret) Frank Sanchez, her father Pedro Talamantez, her step-father, Conrado Davila, her mother, Isaura Talamantez-Davila, her brother, Arturo Talamantez, and great-granddaughter, Marie Gonzalez. She is survived by her son, Frank Sanchez, Jr. (Linaden), daughters, Cynthia Marie Sanchez and Deanna Marie

Cervantes (Robert Jr.); sisters, Aurora Rodriguez (Richard), Esther Talamantez, 6 grandchildren, Tyffany Marie Gonzalez, Laura Marie Valdez, Matthew Alexander Sanchez (Rachel Rodriguez), Kirstin Nichole Cervantes (Kyle Law), Katlyn Nichole Guerrero (Matthew), Robert Cervantes III (Chelsea Reed); 15 great-grandchildren, Donovan Cole Gonzalez, Neyomi Rose Gonzalez, Serenity Nevaeh Martinez, Isabella Rose Cervantes, Gia Isabelle Gonzalez, Luca Frank Cervantes, Azyiah King Hernandez, Adalynn Kinley Law, Evelyn Grace Guerrero, Greyson Robert Cervantes, Elizabeth McKenzie Guerrero, Brantley Hudson Law, Caleb Alexander Cervantes, Ezra Alexander Sanchez and Ethan Frank Cervantes.

The family wishes to express their gratitude and appreciation for the loving staff and extended family our mother so dearly loved at her home at Discovery Village at Dominion, San Antonio, Texas. Mom enjoyed life and especially enjoyed playing Bingo, making flower arrangements for the facility or other residents, having Tea with Ms. Lucy, going to church and listening to the Sunday gospel singers, going to the ice cream socials and enjoyed the "Fantastic Piano Man."

Mom always said she was so very, very blessed and she thanked God each day. We too were blessed and we thank God each day for giving us the great gift of having her in our lives. We love you, will hold you in our hearts and will miss you so very much mom. You will not be forgotten.

If you wish, flowers are gratefully accepted and can be sent to Mission Park North, 3401 Cherry Ridge Dr., San Antonio, TX 78230.

“ Hi for thoughts who do not know me I am one of Olga Sanchez many granddaughters. Although I just love to call her "grandma". For everyone who's gotten to know grandma knows just how blessed they truly were when in her presence. The warmth Grandma gave off just being in the same room as you, you knew you were always safe. She's was always so loving, so giving and so very kind. She truly had the heart of gold. Grandma could be at any state and there she was still praying over you and never stop worrying about you and your loved ones, even when all you could do was worry about her or anything she may need. Although I've only known grandma all MY life, I like to believe she lived such a beautiful long happy life! Cause when I think about my grandma, I can only remember all the beautiful happy memories of her and seeing her smile. Growing up I've always believe in fairy tales with the love her and my grandpa shared in front of me.

Grandma always had her camera in her hands ready to capture any beautiful special moment giving us so many pictures over the years of growing up threw her eyes and what she captured of us and for that I'll forever be grateful To see what she saw in that exact moment. Although I may have not captured her as she was capturing us in those exact moments. I'll forever have those beautiful memories she given me and what she saw looking through the eyes of her. & the memory I have looking back at her smiling.

So I leave you with this please don't ever forget grandmas love is everywhere when you pick up that morning coffee cup how you used to have coffee with grandma that's grandma. When you hold up that camera, & remember how she always took photos that's grandma. When you go to the beach and walk looking for that perfect shell or her most favorite the "sand dollar" that's grandma. When you know you're safe without any explanation to how or why that's grandma. When you spot a red bird, make a wish. Blow her a

kiss. There's grandma. When you see red roses just like she grew outside in memory for our loved one, there's grandma. Hearing the morning birds she would never forget to feed. & grandpa would never forget to give fresh water in the bird bath to. Beautifully chirping in the mornings. In all our beautiful memories with grandma, that's grandma. & I know my grandpas right there protecting her still. When you pick up that phone and remember y'all's normal routine phone calls, there's grandma. She's all around us, blessing us. Protecting us and loving us as we have always loved her unconditionally and will always forever love her endlessly.

I miss you so dear grandma. Yet, I'm so thankful your home now. Your with grandpa, God and all the beautiful Angels. Resting and watching over us and looking down at us even today. I pray one day to be half as wonderful as you are. Thank you for sharing your light with each & every one of us and never letting us forget just how loved we are by you. I promise It's not a goodbye just another see you later ❤️💋 I will always love you more! ❤️

“ I wanted to share that not only was Mrs. Sanchez an amazing person but also such a great neighbor. Her and Mr. Sanchez welcomed us when we moved into the neighborhood almost 10 years ago. They brought over a delicious homemade bundt cake. Mr. Sanchez took all the credit for it. They were so funny. When we had our son, she knitted him the most beautiful blue and white blanket. It was my favorite gift of all the ones we received before his arrival. It will always be cherished. She also never forgot to send Christmas cards either. She was amazing like that. Mr. and Mrs. Sanchez were neighbors you could only dream of having and wish you could have forever. Both are dearly missed.

We wanted to express our deepest condolences to their family during this difficult time. Sending our love and prayers,

“ *I'll always remember you Aunt Olga for thinking of me and checking up on me when my mom had passed away. You don't know how just something as simple as a phone call made me feel the love of God I needed at that time. You always greeted my family and I with your warm love and went all out to make us feel welcomed in your home. I thank you Aunt for your sincere acts of love that I will always cherish. I will miss you dearly. Kiss & hug Jesus and my mom and dad for me. Love you!

“ Mom, thank you for making my journey through life so memorable. Thank you for giving me the greatest gift-taking me to church and teaching me to believe in God and to love with my whole heart and to forgive.

Thank you for holding my hand as a little girl when I was scared and as an adult consoling me during difficult times. Thank you for showing me how to appreciate the simple things in life like wildflowers, forests, rivers, lakes, the moon, stars, mountains, the ocean, camping, reading books, and to love all the little creatures of the earth (and big ones too) and so much more. Thank you for teaching me to be kind and to "remember to always give the other person the benefit of the doubt because they just might have had a bad day." Thank you for being my sports buddy and screaming and cheering on Klay Thompson with the Golden State Warriors and now the Dallas Mavericks--boy we had fun. I'll keep the tradition going & I'll cheer him on for both of us. I'm going to miss you so terribly much, so, so terribly much. I will always think of you when I see a beautiful sunrise, sunset, rainbow, red roses-everything that is beautiful. Because you were beautiful mom and so loving. You will always be in my heart. Please tell Jesus and Mother Mary hi for me and give dad a big hug and kiss for me. Some day we'll be together. I love you!
